Passenger Assumption of Risk & Liability Release

HUTZELL AVIATION LLC • Piper PA-28-140 • N8491F • Passengers accompanying approved renters

IMPORTANT — READ BEFORE SIGNING

Flying involves risks of serious injury or death. This form releases certain claims for ORDINARY NEGLIGENCE, to the extent Georgia law permits. This release is not a ticket, charter contract, or authorization to transport passengers for compensation or hire.

1. Scope and relationship of the parties

In consideration of permission to accompany the approved renter/pilot in command ("PIC") and enter the Aircraft, I agree to this Release. I represent that I am at least 18 years old, will accompany a Company-approved renter serving as PIC on N8491F (the "Aircraft"), and have been told the PIC's identity. The Aircraft rental is governed by the separate Aircraft Rental Agreement & Liability Waiver between Hutzell Aviation LLC (the "Company") and that renter; this reference does not impose the renter's payment, damage, or insurance obligations on me. The Company is providing aircraft rental access, not selling me passenger transportation or providing a charter service. Nothing in this Release authorizes any flight contrary to FAA rules or insurance terms. This Release covers ramp access, boarding, flight-related ground activities, the identified flight leg, and disembarkation. A new PIC, aircraft, or flight leg requires a new Release; a safety diversion during the identified leg does not invalidate it.

2. Acknowledgment of flight risks

I understand that small-aircraft flight includes risks of serious injury, death, and loss of personal property, including takeoff/landing accidents, turbulence, weather, engine or equipment failure, collision, and acts or errors by pilots and others. I may ask the PIC questions and may decline to board. I voluntarily assume the inherent risks of the identified flight.

3. RELEASE OF LIABILITY — READ CAREFULLY

TO THE FULLEST EXTENT PERMITTED BY GEORGIA LAW, I RELEASE HUTZELL AVIATION LLC; ITS MEMBERS, MANAGERS, OFFICERS, EMPLOYEES, AGENTS, AUTHORIZED REPRESENTATIVES, AND SUCCESSORS; THE AIRCRAFT'S LEGAL OWNER AND LESSOR IDENTIFIED IN THE SIGNED FLIGHT RECORD; AND THE COMPANY-APPROVED PILOT IN COMMAND IDENTIFIED IN THAT RECORD, EACH ONLY FOR CONDUCT CONNECTED WITH THE IDENTIFIED RENTAL OR FLIGHT (TOGETHER, THE "RELEASED PARTIES") FROM CLAIMS BROUGHT BY ME OR MY ESTATE FOR MY INJURY, DEATH, OR LOSS OF PERSONAL PROPERTY CONNECTED WITH THE IDENTIFIED AIRCRAFT RENTAL, BOARDING, GROUND ACTIVITIES, OR FLIGHT, INCLUDING CLAIMS ALLEGING THE ORDINARY NEGLIGENCE OF A RELEASED PARTY. A SIGNER DOES NOT RELEASE HIMSELF OR HERSELF. THE IDENTIFIED RELEASED PARTIES ARE INTENDED BENEFICIARIES OF THIS RELEASE, SUBJECT TO THE EXPRESS EXCLUSIONS BELOW.

THIS RELEASE DOES NOT APPLY TO GROSS NEGLIGENCE, WILLFUL OR WANTON MISCONDUCT, INTENTIONAL WRONGDOING, OR LIABILITY THAT CANNOT LAWFULLY BE RELEASED. It does not waive independent claims of people who have not signed this form.

4. Passenger obligations and safety instructions

I shall follow all lawful PIC instructions for boarding, propeller avoidance, seat belts, doors, baggage, cockpit controls, restraints, and emergency evacuation. I will tell the PIC only about functional limitations or assistance needs material to safe boarding, restraints, communication, evacuation, or my ability to follow safety instructions; unrelated diagnoses, medical records, and medical histories are not requested. I will provide accurate passenger/baggage weights when requested, avoid touching flight controls or aircraft systems, and respect the PIC's authority to delay, divert, or cancel a flight for safety.

5. Passengers under 18 — separate consent required

This adult Release is NOT used for passengers under 18. For every separate flight leg, a parent/legal guardian must sign the separate Minor Passenger Consent included with this packet, and the Company must verify the signer's identity and legal authority and approve boarding. The PIC must provide an age-appropriate safety briefing. Parental permission is not represented as a release of the minor's independent claims.

6. General terms and signing

Georgia law governs this Release, subject to nonwaivable legal requirements. An unenforceable clause will be narrowed if permitted or severed. I have reviewed the complete form and may keep a copy. A NEW SIGNED RELEASE IS REQUIRED BEFORE EACH SEPARATE TAKEOFF/FLIGHT LEG, INCLUDING A RETURN LEG, and must identify the planned flight date, PIC, departure, and destination. A new form is required if these identifying details change before departure. An electronic signature is valid only through an authorized Company process requiring affirmative consent, signer identification, a timestamp, preservation of the exact signed document and an audit trail, and delivery of a copy. For paper signatures, the Company shall retain the original or a secure scan with the flight record. All signed forms and audit trails are stored in access-controlled records pursuant to a written retention schedule approved by counsel and insurer, with a hold for pending claims. Website terms do not amend this signed Release. This Release governs only passenger acknowledgment and claims; the separate rental agreement governs renter duties.
